Responsibility

When the Chartering Party requests any change in service that results in an increase in miles or hours to that specific charter, an additional charge may be necessary for that additional service. Charges vary based on event.

A detailed itinerary is required for all trips at least ten days prior to departure. Prices are subject to change based on the final itinerary. Additional charges may be incurred if changes exist.

A Charter Company is not responsible for any luggage or personal items left inside the mini-coach. Every attempt will be made to ensure vehicle is inspected prior to discharge.

Driver Hours

Federal Department of Transportation safety regulations prohibit drivers to be on duty more than fifteen (15) hours per day, ten (10) of which are for driving (including a 30 minute pre and post-trip vehicle inspection." The driver must be given eight (8) consecutive hours off before he/she may resume their duties.

Operators are carefully selected and have instructions to drive at all times at a speed within the limits prescribed by law and compatible with safe operation. Unusual road, traffic and weather conditions are beyond Company control.

Equipment

Equipment furnished by the Company is thoroughly inspected before being assigned to the charter service to insure uninterrupted service. If for some reason beyond the control of the Company, a mechanical failure makes necessary the replacement of a coach originally assigned to the charter service, the replacement coach may be of a different type.
